The Children's Bridge is an experienced, non-profit adoption agency that has facilitated more than 4500 adoptions over the last 20 years.

We provide step-by-step assistance in adopting your child, both in Canada and overseas. Many pre and post adoption services are also provided by The Children's Bridge including cultural activities, playgroups, annual picnics and adoption education seminars. We also have hundreds of experienced families who readily offer support and advice.

Please join us for our “How to Adopt” seminar on January 14th and learn about the adoption process from start to finish. We'll present information on: steps in the process, home study, costs, time frames, health and ages of the children and pre and post adoption information. If time permits, we'll show a short video of one family's adoption trip. As well, you'll have the opportunity to meet families who have completed their adoptions.
