

## ***Mandarin School at west end of Toronto***

***Teacher info:*** *With the natural love to children, I started teaching Mandarin in Toronto in 2004. Most of my students have been learning with me for over 5 years. Lately I am opening more classes to suit students' needs and interest. Currently most classes are holding on Saturday mornings but base on the number of students in the group we are open to run new groups during weekdays. Brief class info is listed below, for more details please contact:*
