

Motherland Tour 2010

I have just received a notice that a 2010 Motherland tour is scheduled from June 20 to July 3. Entire immediate families of adopted Korean children are welcome on the Motherland tour, not just the adopted child and parents.

Thanks to the generosity of Jin Heung, the sponsor, I can say that all but incidental expenses are paid for in Korea, but air transportation to and from Korea is the responsibility of the families. If you are interested in participating or want further information please email Paul Muther at psmuther@gmail.com .

Having travelled with my family on the 2009 Motherland tour I am available to answer any questions about what a Motherland tour with Jin Heung is like. Please email me at <mailto:maria.fulford@childrensbridge.com>

PLEASE NOTE: Preference will be given to families and adoptees who have not travelled before on a Motherland tour. It will be based on a first come first served basis. Again, for further information please contact Paul Muther.
