Children’s Bridge is an experienced, non-profit adoption agency that has facilitated over 3000 adoptions.

We provide step-by-step assistance in adopting your child from China, Kazakhstan, India and Thailand both in Canada and overseas. Many pre and post adoption services are also provided by Children’s Bridge including cultural activities, playgroups, annual picnics and adoption education seminars. We also have hundreds of experienced families who readily offer support along the way.

Please join us for our “How to Adopt” seminar on July 10th and learn about the international adoption process from start to finish. We’ll present information on: steps in the process, home study, paperwork, costs, time frames, health and ages of the children, pre and post adoption information and support. You will also have the opportunity to speak to families who have completed their adoptions and who would love to share their stories with you.
